

EARL C. JACKSON, SR.

Principal, Worcester High School  
Snow Hill, Maryland

Education

Good man - a little over age  
Turned down twice  
See no reason to reverse those  
judgements

Earl Claywood Jackson, Sr

Education

His thesis seems perfunctory  
Harvard professors give  
strong testimony

Burton: "no doubt he will be one of the  
really important leaders of  
negro ed in this country"

Cronwell "in top 10% of all students  
I have taught at Harvard  
in last 3 summers"

EARL CLAYWOOD JACKSON, SR.

Principal, Worcester Senior High School  
Snow Hill, Maryland

Education

A good man, with exceptionally  
fine recommendations from  
his Harvard professors.

But he seems chiefly intent  
on a doctorate. I don't just  
see him becoming (by that means)  
a leader - he's fixed
