No application can be considered by the Committee unless the completely filled out blank and all of the materials requested reach the Director for Fellowships by **JANUARY 15, 1938**

Negro

White Southerner

Specific Field English literature (17th Century)

Concise statement of plan of work The general conception of scholarship concerning the influence of Jeremy Collier's attack on the English stage in 1698 (in his The Short View of the Immorality and Prophaneness of the English Stage) is that subsequent plays were considerably affected thereby. I intend to re-evaluate Collier's influence in the light of other causes of the change in the drama and in other forms of literature after 1698.

Name in full Alfred Russell Brooks
