and Commerce, University of N. C.

Economics and Sociology

Brilliant chap
Swell project

Maybe we should give him a
this year award so that he
can plan his work from
the outset to include some
Southern contacts eg Vaies
in Chicago. His experience so
far is entirely Southern.

Or we might let him go another
year on his own and give
him a \$[#] next year

maybe 500. enough
for such a case
