My dear Dr. Bousfield:

I understand Philadelphia is expanding its health services for Negroes. Is it possible that you will recommend for a position to that staff? It would really be an honor and a promotion to return to Philadelphia.

Philadelphia was my home for ten years, it is the home of my school of nursing and I was employed there for four years.

I hope the fact that I made rapid changes in 1938 will not be held against me. I really should never have gone to Lincoln Hospital. The work required

ESK
UNIVERSITY

a person highly trained in medical
social work, my major was public
health nursing.

I sincerely hope you will find
it possible to recommend me for a
position to this new staff.

Very sincerely yours,
Lazarus Miller Payne.
