Mr. Billy Haygood
Julius Rosenwald Fund
4901 Ellis Avenue
Chicago 15, Illinois

Dear Haygood:

Those dates are all right with me. I am sorry I had to raise the question about expenses last year. I am glad to serve, because I think that it is highly important. I will assume that minimum expenses will be paid, since I personally do not have the resources and can't call on the company to do it.

I am happy to know that you are getting such a volume of applications and if there is anything I can do between now and the dates for the meeting, please let me know.

Sincerely yours,

Gould Beech
