Education

Just right age  
Splendid record  
Splendid testimonies

Seawell raises questions as to  
the project - and we might be  
able to guide him into a  
more productive subject

But this looks like one of  
the few really bright ones  
in the field of education

Superintendent of Schools, Osceola, Ark.  
Now graduate student at Peabody

Rural Education

A good man. I rated him  
high last year. But I see  
no reason why we should  
place him any higher in the  
list this year. Campbell's  
letter is my mind
