Halson Vashon Eagleson ✓

Special Field

Physics

Teacher of Physics, Morehouse College
Atlanta, Georgia

Plan of Work

Would continue research on sound intensity that was started with Dr. A. L. Foley at Indiana University. The work is almost completed. Dr. R. R. Ramsey will probably supervise remaining work for Ph. D. I intend to return as physics teacher at Morehouse College. Have been here since 1927.

Wishes to spend one school year, beginning September 1938.

Digest of Application

Born March 14, 1905, Bloomington, Indiana. Married.

A.B. and A.M. from Indiana University, 1928, 1931. Also attended from 1935 to 1937. Year 1936-37 on GEB fellowship, \$100 a month and transportation and fees.

Teacher at Morehouse College since 1927, salary from \$1500 to \$1800.

Member of Sigma Xi and Indiana Academy of Science. Master's thesis: "The Effect of Humidity on the Reverberation Period of a Room." Published in the Proceedings of the Indiana Academy. Article on "An Improved Tube for Producing Anomalous Dispersion of Sodium Vapor" was published in Review of Scientific Instruments, June, 1936.
