

Hampton Institute

Carl M. Hill, 1937 Fellow in Chemistry at Cornell. Now has Ph. D.

Roscoe Lewis, 1941 Fellow, probably away from Hampton now.

Malcolm MacLean, President

*Kenneth Clark -*

Howard University

Stanton Wormley, Department of German. Used grant to complete research and public book dealing with Heine's impact on Victorian England. Now under consideration for publication by University of North Carolina Press 1938

Abram L. Harris, Department of Economics. See if he has anything interesting for report. We did not write him. 1939

Hylan G. Lewis, Department of Sociology. Think he returned to Howard. 1939 and 1940

Eric Williams, Economic History. Study of sugar industry in Caribbean Islands. Most of grant, or at least a large part of it, to be used for writing up his study. 1940
