Dear Mr. Hill:

I find in the office this morning a ruling by the Trustees on aiding in the erection of teachers' homes. The Trustees have ruled that the limited amount of money used for teachers' homes shall be in connection with schools formerly aided by The Julius Rosenwald Fund. Doubtless with the General Education Board aid you can construct at Sandersville a dormitory and teachers' home combined and later on after you have built a Rosenwald School of even a three or four-teacher type or larger we could help you then to build a teachers' home.

I wish to thank you for the two pictures each of Jerusalem School, Houston County, and Springfield School, Hancock County.

Sincerely yours,

Mr. Walter B. Hill,

March 29, 1923.

Dear Supt. Parks:

We are happy to announce to you that The Julius Rosenwald Fund on March 27, 1923 appropriated \$552,030 to aid in the construction of rural schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1923 and ending June 30, 1924.

The allotment for Alabama is as follows:

Type of School	Number	Amt. per School	Total
One-teacher	8	\$400	\$3,200
Two-teacher	14	700	9,800
Three-teacher	10	900	9,000
Four-teacher	6	1,100	6,600
Five-teacher	2	1,300	2,600
Six-teacher	6	1,500	9,000
Teachers' Homes	3	900	2,700
Additions	6	200	1,200
Totals	55		\$44,100
Building Agent			1,200
		Total	\$45,300

In keeping with the requests of the various states, applications will be received until March 1, 1924, with the understanding that every building on which aid is expected will be completed and paid for on or before June 30, 1924, at which time any unused balance will revert.

In order to take care of any emergencies in construction arising during the year, a reserve fund was included in the general budget. If any state should use up its budget allotment long before the closing period and has a large percentage of the projects completed, The Fund will consider granting additional allotments to such state or states out of this reserve fund. In this way we hope to care for all the needs of the states in the building program.

Mr. Rosenwald and the Trustees of The Fund send greetings and join us in expressing our appreciation to you and your department for the sympathetic and hearty cooperation you have given us in the work heretofore and in hoping for the same helpful cooperation under the 1923-24 budget.

April 7, 1924.

Dear Supt. Ballard:

Just before leaving the office for a vacation trip of several weeks Mr. Rosenwald authorized me by letter to make up a budget for schoolhouse construction in the various southern states, keeping the total within the limit of \$450,000. This amount does not include the RESERVE FUND for emergencies in construction, which will be determined on his return to the office sometime between now and July 1st, nor does it include the administrative expenses. When these are added, the total budget for 1924-25 will doubtless be a half million dollars or more.

In keeping with this authorization and request of Mr. Rosenwald, I have carefully prepared a budget for the various states, being guided largely by (a) the requests from the states (b) the number of projects approved and completed on the present year's budget and (c) the number and size of projects I felt that each state could provide funds for and adequately supervise the construction of for the year beginning July 1, 1924, and ending June 30, 1925. The allotment for Georgia is as follows:

Type of School	Number	Amount per School	Total
One-teacher	4	\$400	\$1,600
Two-teacher	7	700	4,900
Three-teacher	6	900	5,400
Four-teacher	5	1,100	5,500
Five-teacher	3	1,300	3,900
Six-teacher	3	1,500	4,500
Teachers' Homes	3	900	2,700
Additions	5	200	1,000
Totals	36		\$29,500

If the above amount should be inadequate for the imperative needs of your State, doubtless this can be adjusted by the RESERVE FUND which will not be approved and announced until after Mr. Rosenwald's return to his office.

Applications on the 1924-25 budget may be filed at any time from now until March the 1st, 1925, with the understanding that every building on which aid is expected will be completed and paid for by June 30, 1925, at which time any unused balance will revert.

Mr. Rosenwald and the Trustees as well as those of us in the Nashville office deeply appreciate the sympathetic and hearty co-operation given us by your department in the past and sincerely hope for this same helpful co-operation under the 1924-25 budget.

Very truly,

Marie Parker
Acting- State Agent

FISK
UNIVERSITY

March 27, 1925.

Dear Supt. Ballard:

We are happy to announce to you that The Julius Rosenwald Fund on March 23, 1925, appropriated \$475,630, including administrative expenses, to aid in the construction of rural schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1925, and ending June 30, 1926.

As Mr. Rosenwald authorized me to make up the budget for schoolhouse construction in the various southern states, keeping the total within the limit of \$450,000, I carefully prepared the budget, being guided largely by (a) the requests from the states (b) the number of projects approved and completed on the present year's budget and (c) the number and size of projects I felt that each state could provide funds for and adequately supervise the construction of for the year beginning July 1, 1925, and ending June 30, 1926.

The Allotment for Georgia is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount per School</u>	<u>Total</u>
One-teacher	4	\$400	\$1,600
Two-teacher	8	700	5,600
Three-teacher	7	900	6,300
Four-teacher	7	1,100	7,700
Five-teacher	2	1,300	2,600
Six-teacher	3	1,500	4,500
Teachers' Homes	2	900	1,800
Additions	4	200	800
	<u>37</u>		<u>\$30,900</u>
Building Agent			<u>1,200</u>
		Total	<u>\$32,100</u>

If the above amount should be inadequate for the imperative needs of your State, doubtless this can be adjusted by the RESERVE FUND which will be approved and announced later.

Applications on the 1925-26 budget may be filed at any time from now until March 1st, 1926, with the understanding that every building on which aid is expected will be completed and paid for by June 15, 1926, at which time any unused balance will revert.

Mr. Rosenwald and the Trustees of The Fund join us in expressing our appreciation to you and your department for the sympathetic and hearty cooperation you have given us in the past and for the same helpful cooperation under the 1925-26 budget.

June 9th, 1925.

Dear Supt. Ballard:

You will find inclosed The Julius Rosenwald Fund check No. 1676 payable to the Georgia State Department of Education for \$2,000, which is to increase your working capital by this amount. Our custom has been to re-imburse the State Departments of Education on inspection reports submitted, school by school, but as the Treasurer and Mr. Rosenwald himself had to leave several weeks ago for Europe, it was necessary for us to draw requisitions in lump sum lots sufficient to take care of the budget in each state. We thought this method of increasing the working capital from time to time as inspections on completed schools are reported and reducing the working capital by the amount of approved inspection reports would be the most satisfactory way to handle this in the absence of the Treasurer.

Dear Supt. Land:

I take great pleasure in announcing to you that The Julius Rosenwald Fund on June 4, 1926, appropriated \$450,000, including administrative expenses, to aid in the construction of rural Negro schools and teachers' homes through the State Departments of Education in the fourteen Southern States for the year beginning July 1, 1926, and ending June 30, 1927.

The total amount for construction is \$422,000, a little less than that of last year but more than we have spent in the fourteen states for construction in any budget year. The allotment for Georgia is as follows:

<u>Type of School</u>	<u>Number</u>	<u>Amount per School</u>	<u>Total</u>
One-teacher	5	\$400	\$2,000

Additions	<u>90</u>	200	<u>1,800</u>
	38		\$28,000
Building Agent			<u>1,200</u>
			\$29,200

You will find attached a regulation made by the Trustees in response to urgent requests from the various states for aid in building County Training Schools or County High Schools striving to meet state requirements for high school standardization. While no special appropriation was made for this, each state is authorized to take the necessary amount from the regular budget appropriation.

On behalf of Mr. Rosenwald and the Trustees of The Fund I desire to thank you and your staff and through you the County Superintendents and others for the hearty co-operation in past years and hope for that same cordial relationship as we are about to begin work on the new budget year.
