

1939

Teacher and student
International Peoples College, Denmark

Economics

Good record (not excellent marks at Chicago)
and excellent testimonials

Frithless and earnest & bright
chef. But what he asks is not
a fellowship but a grant to
enable him to work on cooperatives
in the Kentucky mountains. What
about support for the years to come?

I am leary about all mountain
projects - but in addition to that
this project looks to me like
pure salary
