October 17, 1939

Dear Doctor Howard: It will not be possible to consider a grant in connection with your proposed program at Howard University until some time following the beginning of our next fiscal year, July 1, 1940. This unfortunate circumstance (in so far as you are concerned) results from having completely allocated all scholarship funds which were available in this field. I am sorry to have no better news for you.

Sincerely yours,

M. O. BOUSFIELD
