

VIVIAN EUGENIA THOMAS

Employee, Farmers Union Fertilizer Co-operative
Montgomery, Alabama

Labor

Very young - and immature
If a fellowship were to be of value
Lefawski says it should be carefully
supervised

She offers simply a few hours of short
courses. These would give her no
real development.

The only thing worth while would be
to send her for a full year to some
branch of Labor College - and there
isn't one that I know of

1948
