May 2, 1930

Dear Supt. Harman: You will find attached budget appropriations for 1930-31, on construction, extension of school terms (no appropriation for new schools in 1930-31), transportation of pupils, school libraries, Rosenwald Building Agent, and Rosenwald School Day Program.

The total appropriation for construction in 1930-31 is greater than the actual amount used by the Southern states during any budget year in the past. Judging from requests of the states for types above six-teacher, the lump sum appropriation will be ample to take care of these larger types and teachers' homes, which will be allocated to states by specific applications.

Previous announcement has been made of the Fund's withdrawal of aid on one-teacher schools and the reduction on the two-teacher type from \$500 to \$400, beginning July 1, 1930, and the desire to place emphasis on (1) the construction of consolidated schools, (2) the development of high school opportunities, and (3) the stimulation of training in vocational subjects, where well trained teachers are to be employed.

On behalf of the Officers and Trustees of the Fund, please let us thank you and your staff for the fine co-operation given us in the past. We hope that you will feel free to offer any suggestions you may desire, looking to the betterment of the work in which we are all so vitally interested.

Sincerely,

SLS:mc

Supt. A. F. Harman,  
State Department of Education,  
Montgomery, Alabama.

cc to Mr. J. S. Lambert.

Dear Mr. Smith:

Supt. Tidwell informs me he has the \$100 for printing Rosenwald programs and for defraying other necessary expenses of the Rosenwald Day celebration.

If it meets with your approval, we shall use the balance of \$50.00 in the way of prizes to stimulate the beautification of school grounds. The plan has not yet been thoroughly worked out, but I shall send you a copy at an early date.

Should we not use the balance for that purpose, it will be subject to your order.

Herewith I hand you a copy of the bill for printing, also a copy of the Program and report form.

Cordial regards and best wishes.

Sincerely yours,

J. S. Lambert,

REPORT OF ROSENWALD SCHOOL DAY CELEBRATION

March 4, 1932

(1) No. of Counties participating - - - - -	42
(2) No. of Schools " - - - - -	244
(3) Estimated No. of teachers in Schools - - - - -	479
(4) No. of pupils enrolled - - - - -	20,747
(5) No. of people attending meeting - - - - -	14,069
(6) Amount of money collected on Rosenwald Day - - - - -	\$ 553.51
(7) There are no other special features of improvement or plans for improvement, except that we are attempting, through our Rosenwald School Building Agent and State Elementary and Industrial Supervisor -- in co-operation with the local communities -- to beautify the school premises, especially by putting out trees, flowers, and shrubbery on the school grounds.	

We are going to offer some prizes this summer for the ones making the most improvement. Prizes can be awarded only after checking up the work later in the school, for the reason that it will take time to determine whether trees, flowers, and shrubbery put out this spring are going to survive, or not. Only those that do live will be taken into consideration in the awards.

Dear Mr. Smith:

In compliance with your recent request,  
we herewith hand you our report on the  
observance of Julius Rosenwald Day in  
Alabama this year.

It is not a report to be proud of, but  
the poor showing was due to (1) the fact  
that schools were closed before the oc-  
casion was observed, and (2) the lack of  
money to make a creditable showing.

We hope to do better another year.

Very sincerely,

J. S. Lambert,
