

FELLOWSHIPS

Furus

August 2, 1944

Dear Mr. Williams:

There are undoubtedly among the students attending your summer session many who will not be in school next fall, and hence they may not have our fellowships called to their attention. I will, therefore, greatly appreciate your posting the enclosed announcement in a conspicuous place. I will also be glad to have you call our program to the special attention of any outstanding student who is qualified to file an application for one of our fellowships.

Sincerely yours,
VANDI V. HAYGOOD
