

Candidate **Richard Ishmael McKinney** ✓
 Director of Religious Activities
 Virginia Union University, Richmond, Virginia

Special Field
 Psychology of Religion

Plan of Work

Under the supervision of Dr. W. E. Hocking at Harvard University, the applicant will make an investigation of the bearing of a college education upon the religious life and thought of the Negro college graduate with a view to determining the significance of the religious curricula and programs designed for Negro college students.

Wishes to work for Ph. D. for two years beginning September 1938.

Will return to present position.
