February 17, 1948

Dear Mr. Biggers: The annual jurying of candidates for Julius Rosenwald Fund Fellowships in the fine arts will be held March 31 at the Museum of Science and Industry.

The Jury should have three to five pieces of a candidate's work in order to give a comparative judgment. Water colors should be unframed and matted, and canvasses should be unframed to reduce expense of shipping and to make handling easier. Please send your materials prepaid to:

Rosenwald Fund Fellowship Exhibit
c/o Museum of Science and Industry
57th Street and South Shore
Chicago 37, Illinois

The Museum has asked that the exhibits be sent so they will arrive between March 18 and March 25.

Your pictures will be carefully handled and returned to you as soon as the Jury has met. Final results of the Committee's decisions will be sent you early in May.

Sincerely yours,

For the Committee
on Fellowships

Mr. John T. Biggers
