Dr. M. Bousfield,
Chicago, Illinois

My dear Dr. Bousfield:

The blank addressed to me at
Wilmington, North Carolina has been forwarded to
Washington where I am now engaged in practice. I am
very sorry that, owing to some delay, it has just re
reached me.

Your failure to have in possession this
data probably accounts for my not hearing from you
relative to application for Fellowship from the
Rosenwald Foundation. However, I shall be pleased to
know your attitude, and the Foundation's disposition
in the matter.

Fraternally yours,

John Sinclair Perry
