JOHN ANSLEY GRIFFIN

Associate professor of Journalism and
Assistant to the President
Emory University, Georgia

Sociology

A good man
we turned him down four times
But I think he now comes within
our requirements

Top letters from good people
This is a true fellowship - a year
to enrich himself for work he has
already proved he can do

1939

JOHN ANSLEY GRIFFIN

Instructor in English
Georgia School of Technology

Journalism and sociology

Thought if a journalist (and former student of English) would do much in sociology. Interesting possibility - but no evidence that the chap could carry it off to any brilliant end. Good scholarly read. Very good work as radio director at Georgia Tech - But I am less favorably inclined even than I was last year.
