

Candidate

Robert H. Trice

Special Field

Physical Education

Teacher of history, athletic coach
Burt High School, Clarksville, Tennessee

Plan of Work

I wish to make an anthropometric study of the effect of limited and inadequate facilities for recreation together with hard labor during the youthful period as it is related to the physical growth and development of the Negro youth.

Wishes to spend a year at the University of Iowa working for M. S.

Will not return to present position. Wishes to instruct Negro rural and high teachers and help them outline a health program.

Digest of Application

Born August 6, 1907, New Providence, Tennessee. Married.

B. S. from Tennessee A and I State College, 1929; also attended coaching school, summer, 1934.

Has taught at Burt High School since 1929, \$610 and \$675 a year.
