Dear Mr. Paty: Mr. Reynolds is off on another field trip, so in response to your note I am sending you a list of awards. We have been holding it pending Dr. Rhetta's decision, and the possibility of having some word about Mr. Swanson's renewal.

Spring is really here, and looking very pretty, too. But I suppose summer is well advanced in Birmingham.

My best regards to you and to all the family. It was mighty fine to see you during the meetings.

Sincerely yours,

Mr. Raymond Paty
