

Fellowship Com

April 18, 1938

Dear Dr. Johnson: I am enclosing a final list
of awards. Notification letters
were sent off Saturday and we already have three
grateful acceptances.

If you will add the cost of the
crating of Mr. Lewis' paintings to your expense ac-
count when you submit it we shall be glad to take
care of it.

It was nice to have you here
Saturday. I only wish you had to come oftener.

Sincerely yours,

RP*MLU
