Negro Nurses

(Dudley, Ualla)

My dear M^{rs} - Mrs Hobbs:

Yours of the 19th inst. received with many thanks for the reply, as I didn't know Dr. Bousfield was on his vacation.

A letter from my Supt., received Aug. 12th, inquiring my intention to return to my position or study, made it necessary for me to seek such information; as I am indeed cognizant of all circumstances under which such scholarships are granted; therefore I shall respect any decision made by the Committee, whenever it meets.

In the meanwhile, I wish to have you (if possible) renew the date on

SEP 8 1936

my application, to be effective at any time in the future, rather than Sept. 1936 as stated there. My superior has stated his unwillingness to grant me a leave from my work at any time in the future.

Please Advise,

Very truly yours,

Valla V. Dudley
