October 19, 1944

Dear Frank: This is just a suggestion - you may want to make your letters much more informal, particularly if you know the guy. It probably would be a good idea to enclose an announcement sheet with the full details in your letter. Or there may be other points you want to mention which apply particularly to artists. If you want to identify your connection with the Fund, of course that's o.k.

Sincerely,

VANDI V. HAYGOOD
