The aid for schools and additions above a six-teacher type - seven-teacher to ten-teacher, inclusive - is for county training schools or county high schools striving to meet state requirements for high school standardization. Copies of the detailed plan for distribution of aid will be mailed within a few days.

Beginning July 1, 1927, the Fund agrees to give aid for shops on condition that (a) the building be erected according to plans and specifications furnished or approved by the Fund, (b) an ample supply of tools be purchased, and (c) a trained teacher be provided to take charge of the work.

On behalf of the Trustees of the Fund I wish to thank you and your staff for the cordial cooperation in the administration of the work in your State. We shall appreciate having any suggestions from time to time which you feel will be helpful in securing the greatest benefits with the amount of money available.

Sincerely yours,

Supt. S. M. N. Harris,
Austin, Texas

January 1, 1927.

Dear Mr. Bludworth:

You will find enclosed copies of applications Nos. 27, 28, and 29-F and inspections 12, 27, 28, and 29-F, approved. We have drawn requisition today to replenish your department for the \$3,000 being spent on these four buildings.

I am very sorry that the picture of Mr. Rosenwald was broken. We have heard from a few of the States and find that several were broken. I feared this, but we were told by the people who packed them in Chicago that they were properly crated for mailing. Before any more are sent out they will be crated in wood. If yours is defaced in any way and cannot be repaired by putting on a new glass, please let me know and I will see that you get a new one.

Trusting to see you at Winston-Salem the 13th and 14th, I am
