Dear Mr. King: We are preparing a full report for our trustees on persons who have held fellowships, and would like to have up-to-date information. It will be of great service to us if you will give the information called for below, and return the sheet to us at once. In addition to these bare facts we should be glad to know of anything interesting that has happened to you, or that you have accomplished either during your tenure of fellowship or since your return to work. Our trustees have a continuing interest in the Fellows and we like to keep them informed.

GMR:MLU

Very truly yours,
King Reynolds

Has your Ph. D. degree been conferred: No. All requirements are completed except thesis and it is in final stages. I plan Additional information: to go to Madison right after the Christmas holidays to take my final oral exam on the thesis. If all goes well, I should receive my degree at the next conferral period, that is February.
