Thomas Edward Posey

Special Field

Associate Professor of Economics
West Virginia State College, Institute

Labor Economics

Plan of Work

The specific purpose of this study is to trace the development of the labor movement in West Virginia and to record the efforts employed in the movement to effect economic, political and social improvement among the people. The activities of the West Virginia Federation of Labor will be emphasized greatly in an effort to present the struggles of labor for wider acceptability and progress.

Seeks Ph.D. at Ohio State University, working under Drs. A. B. Wolfe and Alma Herbst. Has been admitted. Two years. Can return to present position.
