Dear Vand:

Thank you for your cordial letter of January twenty-fifth in reference to the meeting of the Art Jury.

I would be delighted to fall in with the plans formulated by Frank and you for the meeting to take place in Chicago this year, but, as you know, I have been away from Columbia on a Fellowship for the past nine months and am about to take up my work again and on a very heavy program. It will therefore be impossible for me to get away for even one day at this time, so I regret that I will be unable to come to Chicago for the meeting.

Now then, why not send to me at Columbia University whatever photographs and actual pieces of sculpture that have been submitted. I assure you I will be very happy to give them my full attention. - I will meet with Gino before he leaves for Chicago and he would bring my decision with him.

I hope you will find this plan satisfactory - and that you will have a very pleasant and fruitful meeting. Of course I will miss seeing you all and hope that our next meetings will be in New York so we can have a happy get together.

Tillie joins me in sending best regards and good wishes.

Cordially,
Cronzio
