

Scholarship aid

December 5, 1940

Dear Doctor Johnson: I have your letter of the 22nd with reference to the scholarship program for seniors. I am glad to see that you have a suggestion with reference to a student who was graduated last year. I see no reason why we should not make a test case of this with the Committee. As far as I am concerned, I am perfectly willing to have Fisk submit Miss Habritt's papers along with those from other candidates for scholarship aid.

Very truly yours,
