

MS 10/8	MS 10/20
Neger Physicians (Cores)	

Camp Annawan  
Annawan, Ill.  
Oct. 17, 1939.

Dear Dr. Bousfield,

I have succeeded in arranging my affairs so that I am now in a position to accept the offer at Tuskegee. This Comes rather late, and no doubt you have made a selection. However, if the work is yet available, I shall be glad to accept, and can be released from my work here at once.

Very truly yours,

Emmett W. Pughall, M.D.
