Letter sent to all Fellows

best than
In about thirty days we will reach the closing date for the acceptance of fellowship applications for the coming year. There is little doubt that we will have a large number of applications, but we are, of course, primarily interested in securing applications from top people. It has occurred to me that you may know some exceptionally able persons who would apply if they knew about our program, and I am therefore asking each of our Fellows to act as an agent for the Fund in the next few weeks. If you can uncover some very promising candidates your assistance will be greatly appreciated by the Committee on Fellowships. *It is possible that*

may I am enclosing some announcements which you will find useful.

Very truly yours,
