An official transcript and four copies of your college and university records must be submitted with your application.

2. Extra-curricular activities:

As an undergraduate I took part in the activities of a wide variety of campus organizations, such as, Press Club, Ag. Club, Dramatic Club (Blackfriars), Alpha Zeta, and Lambda Chi Alpha. As a graduate student I was president of Taylor-Hibbard Club (organization of graduate students in Agricultural Economics).

3. Give a list of the scholarships or fellowships you have previously held or now hold, stating in each case the places and periods of tenure, the studies pursued during your incumbency, and the amounts of the stipends.

Research assistantship, University of Wisconsin, September, 1929 through June, 1931, half-time work on a study of the effects of the tariff on the prices of long-staple cotton; \$75 per month. Teaching assistantship, University of Wisconsin, September, 1931 through June 1932, and September, 1932 until resignation in January, 1933. Three hours teaching per week of undergraduates in Agricultural Economics; \$60 per month.

Experience

(Students should include all part-time work they have done.)

Institution or Organization	Address	Position	Under Direction of	Salary
Dept. Rural Ec. & Soc. University of Arkansas	Fayetteville, Arkansas	Field Research	C. O. Brannen	\$2000
Dept. of Ag. Economics University of Wisconsin	Madison, Wisconsin	Research and Teaching	B. H. Hibbard	\$600 - \$900
Farm Credit Administration	Washington, D. C.	Agricultural Economist	F. F. Hill	\$3000 and \$3800
Resettlement Administration	Washington, D. C.	Agricultural Economist	E. H. Wiecking	\$3800

Accomplishments

1. Of what learned, scientific, or artistic societies are you a member?

Alpha Zeta, Alpha Kappa Delta, American Farm Economic Association, and American Economic Association.

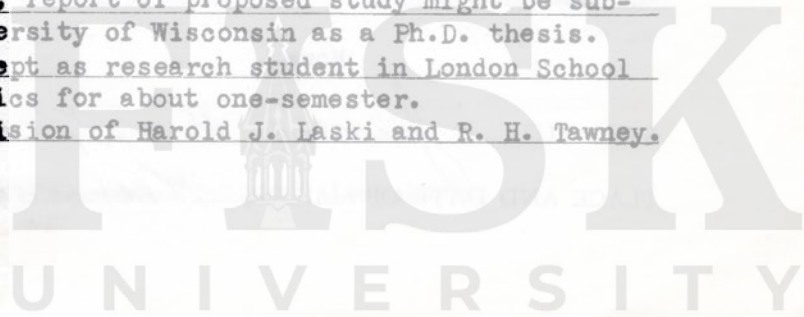

2. What advanced work, research, or creative work have you already done?

See attached Personal Data Memorandum.

3. List of publications Arkansas Experiment Station Bulletin No. 274. University of Arkansas Bulletin of Public Service October, 1931. "Farm Tenancy in the United States", Part VII of the Supplementary Report of the Land Planning Committee to the National Resources Board, 1935.

Plans for Work

1. For what position do you seek further training? Expect to continue research work in U.S.D.A.
2. What course of study do you wish to take? No formal course work.
3. For what degree are you working? None. However, report of proposed study might be submitted to University of Wisconsin as a Ph.D. thesis.
4. In what institution do you wish to study? None, except as research student in London School of Economics for about one-semester.
5. Under whose supervision? Under partial supervision of Harold J. Laski and R. H. Tawney.

6. Have you assurance that you will be admitted to this institution? Not definitely. However, I can meet all formal requirements, and probably would be admitted without difficulty.
7. If you are not planning study at an institution, indicate the type of special work you propose to do. Study of tenure reform programs in foreign countries by field visits and library work represent the most important phase of the work.

8. If awarded a fellowship

When would you wish to begin the study proposed? September 1, 1937

What is your estimate of its probable duration? One year.

Statement of Plan of Work

Submit on separate sheets a statement giving detailed plans for your work during your tenure of a fellowship. This statement should include (1) a description of the project, including its character and scope, and the significance of its presumable contribution; (2) the present state of the project, time of commencement, progress to date, and expectation as to completion; (3) the proposed university, or institution of similar grade, or the place where the work would be carried on, and the authorities, if any, with whom the work would be done; (4) your expectation as to publication or use of the results of your study; and (5) subsequent plans for your career. *This statement should be complete and carefully prepared.* (Please submit one more copy of PLAN OF WORK than the number of your references.)

References

Submit a list of references from whom further confidential information may be obtained concerning your qualifications and from whom expert opinion may be obtained as to the value and practicability of your proposed plan of work:

Name of Reference	Position	Address
<u>3/2/37</u> B. H. Hibbard	Prof. Ag. Economics	College of Agriculture, Madison, Wis.
E. H. Wiecking	Chief, Land Use Planning Section	Resettlement Administration, Washington, D. C.
M. L. Wilson	Under Secretary	Department of Agriculture, Washington, D. C.
C. O. Brannen	Assistant Director	Agricultural Experiment Station Fayetteville, Arkansas

If you have applied or expect to apply elsewhere for any fellowship or scholarship for the same period, state the facts regarding such application.

None.
