Dear (Dr. Branch): Thanks for your letter of the  
13th. I am very sorry that  
I did not see you while you were in Chicago.

If you have made up your mind  
to settle here, it might be well for you to write  
Dr. John W. Lawlah, Medical Director of Provident  
Hospital, and ask whether there are available resi-  
dencies for which you might qualify. I think pedia-  
trics and neurology are possibly open. I am not  
checking this, but leaving it entirely to your own  
devices.

Sincerely yours,

M. O. BOUSFIELD

My Dear Doctor Bousfield,

I was on a recent visit to Chicago and regret exceedingly that in my visit to the various hospitals I was unable to make an appointment to see you.

I saw the set up at Provident Hospital and am greatly interested. I am definite in locating in Chicago. You may recall me by the fact I was interested in advanced studies in connection with the Reserwald fund some time ago. I wish you much success in your manifold duties.

Yours very truly,  
W. Harold Branch  
M. D.
