

Fellowship Committee

March 16, 1939

Dear Will: I am attaching a list of applicants, Negroes and whites, which I believe you will be especially interested in checking over. Some of these people are very good, others just average, and I have included some because of the particular project they are proposing, knowing that you are particularly fitted to judge the feasibility of the proposals.

This list by no means is intended as a rating on my part. In fact, I have left off some of the very best ones.

We are looking forward to seeing you on the 25th.

Sincerely yours,

GEORGE M. REYNOLDS
