Remarks:

A year ago when we made up the Fellowship Administration budget, we allowed \$ 500 for honoraria to critics in art, literature, music etc. \$ 176.70 of this amt has been paid to Herschel Brickell for honorarium (\$ 150) and travel (\$ 26.70). If any other payments are to be made, a check should be issued before June 30.

Mr. Haygood: Mr. Reynolds wrote Mr. Moe about paying honorarium, and Mr. Moe (whose jury we use) said not to pay the artists. He did suggest that we pay Mr. Brickell, and the \$150 covers work he did for us for the past two years. The art jury has been sent letters of appreciation of their work, however.
