EDWARD MORRIS VINSON

General Mills, Minneapolis

Political and Social Research

Excellent record at George Tech (has
only institution of study).

Degree "with Honor" and speaks mostly as

Rainey of Tech says "Of all students I met
teaching experience I should feel Ed.
Vinson as the one of greatest importance in
terms of values presented to me....

astounding combination of intellectual ability,
moral integrity, and generosity of spirit."

He is prepared to break off a promising
business career in order to prepare
himself for ^{political and} public service

In spite of his youth I would like
