

1939

LAURENCE DEFEE HASKEW

31

City Superintendent of Schools
Monroe, Georgia

Education

Good man and good project
Cockery & Irby speak very
highly of him, but they
may be prejudiced. Other
testimony does not indicate
that he is really exceptional
in ability. His ~~work~~ ^{work} (\$3,100) is
excellent

I have met Haskew & know something
of his work. Both his personality
& his achievements are excellent

LAURENCE DeFEE HASKEW

Superintendent of Schools
Monroe, Georgia

Education

This is a tough case
 Cockney & I only want to use him
 at Univ. of Ga. and so are so
 biased as to discount his
 testimony. Only outside Georgia
 reference is Dewey Edwards of
 Chicago who speaks well of him
 but not in extravagant terms by
 any means. I see no reason
 to change my last year's rating.
 He asks for an outrageous amount (\$3,000
 simply for continuing study at his own
 state university)
