

Fellowship
Com.

February 19, 1948

Dear Mr. Still: Via Railway Express I am sending you today the exhibit materials of our seven candidates in the field of composition:

James E. Dorsey
Rachel A. Eubanks
Erma I. Hayden
Joseph R. Johnson
Ulysses Kay (renewal)
Eileen J. Southern
Walter F. Anderson

Though I asked for scores, Mr. Anderson sent several recordings of his compositions, which I hope is agreeable to you. Thinking that you are interested in the Plan of Work submitted by the candidate, I am enclosing a copy for each applicant.

With best wishes,

Sincerely yours,

HR
