

Fellowship Com.

April 4, 1947

Dear Mr. Taylor: Thanks for the splendid report. I had thought I would bring it to the Committee at the meetings this week-end, but I believe I will wait until the report on Miss Tynes is in and give them the completed judgments at the May meeting.

One more favor. I sent the two ladies boxes of candy but then lost their names and addresses. In case they were puzzled, would you tell them it was only a small token of appreciation from all of us here?

Sincerely,  
WILLIAM C. HAYGOOD
