

Candidate **Garland Dean Kyle**

Special Field

**Instructor in Mathematics, Knoxville College
Knoxville, Tennessee**

Applied Mathematics

Plan of Work

I plan to pursue an advanced course of study in the field of mathematical statistics which I wish to apply for the betterment of agriculture, social relations, business, and industry after the completion of the course.

Seeks Ph.D. at the University of Chicago, working under Professors Bartsky, Schulz, Logsdon, and others. Has been admitted. Five or six quarters. Can return to present position.

Has applied previously.
