4901 Ellis Ave.
Chicago, Ill.

My dear Dr. Bousfield:

I have just returned from a trip into Florida where I came across some of the very fine work you have done in Miami. The social workers there, especially Mrs. Daniels, are high in their praise of what it has meant to them for you to have shown your interest in the needs of that community. While in Miami I stopped with your friend, Dr. Kelsey R. Pharr.

On my return to the office I have a reference blank to fill out relative to a petition made by Dr. Thomas R. Peyton, New York City, for a fellowship with the Julius Rosenwald Fund. As it is far past the time I should have returned this as result of my absence from the office, and because of your relationship to the fund, I want to say to you as a friend, in advance of your seeing my confidential statement, it is my opinion Dr. Peyton is worthy of consideration in this matter.

I trust this finds you, Mrs. Bousfield and daughter enjoying the very best of health.

With warm personal regards, I am

Cordially yours,

R. B. DeFrantz
