Dear Doctor Thomas:

Thanks for yours of January 12. I am sorry that Weidner is out. He seemed to be a very fine person and well fitted for the place.

The plan for an expansion of medical care in Macon County did not receive the federal backing which I had hoped to obtain and it has therefore been dropped, at least for the time being. The procedures at Alto do not surprise me, but I think I should add that they do grieve me.

Sincerely yours,

M. O. BOUSFIELD
