Total Disbursements for Construction

March 18, 1929

To Julius Rosenwald Fund,
Nashville, Tennessee

Dear Sir:

We desire to make application for aid on the following projects
for the year 1929-30:

1 TERM EXTENSION-

One-half salaries of 50 teachers in 20 schools \$ 1500.00
with the understanding that the Fund will pay one dollar for
one the first year, one for two the second year, and one for
three the third year for an extension of one month or two
months, on condition that no salary on which aid is given is
to be less than \$50, and further that the county will agree
to continue such extension without aid after the third year.
(Do not include in this request any part of salaries of teachers
on which aid is given the present year.).

2 TRANSPORTATION OF PUPILS -

(a) One-half the cost of operating 3 auto transportati
busses an average of 8 months at \$ 250.00 per month, \$ 2000
with the understanding that the Fund will give one dollar for
one the first year, one for two the second year, and one for
three the third year, and that the county will pay the remainin
each year and will agree to continue these busses without aid
after the third year

OR, where the county desires to purchase busses,

(b) One-half the cost of purchasing 2 new transportati
busses at an average cost of \$ 1500.00 each, \$ 1500.00

(Do you feel that a county would agree to pay all the cost
of transportation if the Fund should give half the cost of a bus,
or would it be necessary to offer to pay a part of the operating
expenses also?) As an inducement to secure transportation at
public expense for negro children, we are of the opinion that
it will not only be necessary to pay part of the cost of oper-
ating the busses, but at least one-half of the cost of the busses
themselves.

Dear Mr. Harned:

The Board of Trustees of the Julius Rosenwald Fund on May 11, 1929, made generous appropriations for various aspects of rural Negro schools in the South to be spent between July 1, 1929, and June 30, 1930. You will find below allotments by budgets for Tennessee, and on separate sheets attached details governing the expenditure of each:

<u>Budget</u>	<u>Items</u>	<u>Amount</u>
1	Construction	\$31,400.00
2	Extension of School Terms	
	(a) New schools for 1929-30	\$1,600.00
	(b) Schools qualifying 1928-29	<u>466.66</u>
		2,066.66
3	Transportation of Students	1,960.00
4	Libraries for rural schools	
	(a) 27 (1/3 cost)	1,080.00
	(b) Traveling expense librarian	<u>250.00</u>
		1,330.00
5	For new project to be announced later	-----
6	Building Agent (1/2 salary)	1,500.00
7	Rosenwald School Day Program	<u>100.00</u>
		\$38,356.66

We are announcing at this time the action of the Fund to discontinue aid for construction of one-teacher schools after July 1, 1930, at which time the schedule of allotments will likely be revised with a view to giving greater emphasis to the construction of larger types, and also to encouraging the consolidation of schools.

Please let me take this opportunity to thank you on behalf of the Officers and Trustees of the Fund for the fine cooperation given us by you and your staff.

Dear Mr. Harned:

You will find attached the Fund's check No. 2879 payable to the Tennessee State Department of Education for \$1,500, aid on inspections 16-M and 19-M - one and one-half times the regular allotment. In order to help stimulate the building of a school in any county that has not built a Rosenwald school the Fund has agreed to give this special offer, which will hold good for next year also. I am glad to see these two counties take advantage of the offer this year.

Sincerely yours,

Enclosure

To the Julius Rosenwald Fund,

Nashville, Tennessee

Dear Sir:

We desire aid on the following items for the year 1929-30:

1. RURAL SCHOOL LIBRARY-

27 libraries on same basis as that of this year, with same list of books and the same plan of handling, the amount of aid by the Fund to be \$40 each, or a total of \$ 1000.00 / 1080.

2. VISITING LIBRARIAN-

Part of the traveling expenses of a trained librarian designated by the State Department of Education to visit the schools where these libraries are placed and give instructions on the organization, care and use of the books \$ 250.00

3. ROSENWALD SCHOOL DAY PROGRAM-

Amount for printing programs, etc., \$ 100.00

4. HIGH SCHOOL LIBRARY-

(If you desire aid on the purchase of an additional library with books suitable for high school grades, what size library would you suggest and how many would you likely need? Would the same plan as used in the Rural School Library be satisfactory, provided the list should be approved by all the State Departments? No definite decision or plan for this additional library has been agreed on by the officers of the Fund. The question is simply being raised to find out if there is a need and a desire for it.)

REMARKS:

There is an urgent need for a Special Library adapted to the needs of a standard High School for negroes in Tennessee. The State requirements as to libraries are not fully met by the regular stock library aided by the Ros-

State Superintendent
Commissioner
enwald Fund.

Dear Mr. Harned: You will find attached budget appropriations for 1930-31, on construction, extension of school terms (no appropriation for new schools in 1930-31), transportation of pupils, school libraries, Rosenwald Building Agent, and Rosenwald School Day Program.

The total appropriation for construction in 1930-31 is greater than the actual amount used by the Southern states during any budget year in the past. Judging from requests of the states for types above six-teacher, the lump sum appropriation will be ample to take care of these larger types and teachers' homes, which will be allocated to states by specific applications.

Previous announcement has been made of the Fund's withdrawal of aid on one-teacher schools and the reduction on the two-teacher type from \$500 to \$400, beginning July 1, 1930, and the desire to place emphasis on (1) the construction of consolidated schools, (2) the development of high school opportunities, and (3) the stimulation of training in vocational subjects, where well trained teachers are to be employed.

On behalf of the Officers and Trustees of the Fund, please let us thank you and your staff for the fine co-operation given us in the past. We hope that you will feel free to offer any suggestions you may desire, looking to the betterment of the work in which we are so vitally interested.

(C) TRAVELING EXPENSE FOR LIBRARIAN

\$

The Librarian has already spent \$182.27 of the \$250.00 appropriated for visiting libraries and estimates that the balance of \$67.73 will be spent within the next few weeks in visiting libraries purchased on last year's budget but were not inspected due to the fact that the schools closed before they could be visited. These will be inspected as soon as these schools open.
