FREDERIC NEILL CLEAVELAND

(26)

Assistant Dean of Men  
Duke University

Political Science

Born in Georgia  
while his education has been at  
Duke, no evidence that he will  
continue to reside or make his  
career - the South. His propiety  
might have been anywhere.  
If he goes to Cornell, my guess  
is he will stay in - the north.  
References do not all go  
all out for him  
Too doubtful in all counts
