December 26, 1940

Dear Bill: I am delighted to learn from George Reynolds that you consent to continue to serve on the Fellowship Committee. I know it is asking a good deal of time and attention from a very busy college president, but you have been so intimately associated with this fellowship program from the beginning that you add a peculiar strength to our counsels.

Greetings and best wishes to all the Patys.

Very truly yours,

EDWIN R. EMBREE
