

SAME LETTER TO FELLOWSHIP COMMITTEE MEMBERS:

Johnson, Bontemps, Beech and Thompson

Fellowship  
Comm.

March 7, 1947

Dear Mr. Weaver: Today, we are sending you by  
express the first batch of  
fellowship digests, of which there are 88 arranged  
by subject categories including both white Southerners  
(green paper) and Negroes (yellow paper). It is  
difficult to estimate, at the moment, exactly how  
many more will be coming, since I have not completed  
the preliminary weeding out. However, I should think  
there will be at least another 125, which will be  
sent as soon as the processing is completed.

With best personal wishes.

WILLIAM C. HAYGOOD
