

MARY HOFFMAN WILLIAMS

Research Assistant in Microbiology
Ortho Research Foundation
Raritan, New Jersey

Biology

Good testimony, though heavily colored
with "good personality, adaptable, earnest etc."
Without a medical degree she'll always be
handicapped in medical research.
What is the Ortho Research Foundation?

Name Mary Hoffman Williams

Field: Biology

Research Assistant in Microbiology, Ortho Research Foundation, Raritan, N. J.
94 Second Street, Somerville, New Jersey

Plan of Work To make a bacteriological study of the etiological agents of puerperal sepsis in vaginal discharges of pregnant and non-pregnant women with special reference to the improvement of maternal health, particularly that of the Negro woman.
