Special Field
 Music: Piano and Organ -
 Harmony

Plan of Work

In the School of Music at Fisk University do the courses in piano and organ and in the graduate course in harmony and counter-point; this line of work culminating in the M. A. degree which is offered by this institution. Continuation organ work which I've done this semester would give the degree Mus. B. I've been able to do this and last year's study through the help of my children, which must end January 31, 1938.

Seeks M. A. from Fisk University and Oberlin College. Duration of study two years. This work has already been started; applicant would continue immediately.
