Dear Vand: :

The package of fellowship materials has been on its way to you since March 16. The express ticket is #852 and the item was insured for \$50.00. Yesterday Miss Epperson telephoned the local office and asked them to begin a search. I hope that by now it has been successful.

I am sure that I do not know what the moral in this is. Perhaps packages should be given to a pullman porter now-a-days and delivered in person. At any rate, I hope to be in the office a day ahead of the fellowship meeting, and perhaps I can read some of the exhibits there.

Ever sincerely,

Dear Vand:

A report from the Express Company came through this morning. It says that the package which Miss Epperson sent was delivered at the Fund on March 20th and signed for by Albert Ward. The package, of course, was directed to the Fund in your name. Please let me know what you discover.

In haste,

Ever,
