**Independent Auditor's Report**

To the Board of Directors of  
**All Out Action Fund, Inc.**

**Report on the Audit of the Financial Statements**

***Opinion***

We have audited the financial statements of All Out Action Fund, Inc. ("All Out"), formerly Purpose Action, Inc., a non-profit organization, which comprise the statements of financial position as of December 31, 2024 and 2023, and related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of All Out Action Fund, Inc. as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of All Out Action Fund, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about All Out Action Fund, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of All Out Action Fund, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about All Out Action Fund, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**1. ORGANIZATION**

All Out Action Fund, Inc. ("All Out"), formerly Purpose Action, Inc., a non-profit corporation, was incorporated in the State of New York on May 24, 2011 and began operations in 2012. All Out was formed for the purposes of uniting and coordinating the efforts of individuals in order to raise public awareness, promote activism, and develop and advocate for legislation, regulations, and government programs to combat prejudice and discrimination against members of the gay, lesbian, bisexual and transgender community.

All Out's name change became effective in the State of New York as of October 2014.

For Federal income tax purposes, All Out is classified as a 501(c)(4) organization and is exempt under Section 509(a)(1) of the Internal Revenue Code and a similar provision of the New York State income tax laws.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of All Out have been prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America. The significant accounting policies are described below.

**Basis of Presentation**

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

**Net Assets without Donor Restrictions:** These net assets generally result from revenues generated by receiving contributions that have no donor restrictions, providing services, and receiving interest from operating investments, less expenses incurred in providing program related services, raising contributions, and performing administrative functions.

**Net Assets with Donor Restrictions:** These net assets result from gifts of cash and other assets that are received with donor stipulations that limit the use of the donated assets, either temporarily or permanently, until the donor restriction expires, that is until the stipulated time restriction ends or the purpose of the restriction is accomplished, the net assets are restricted.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued**

**Cash and Cash Equivalents**

All Out considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

**Foreign Currency Translation Adjustments**

All Out maintains several PayPal accounts in foreign currencies. The translation of the foreign currencies into U.S. dollar is performed at the statement of financial position date using current exchange rates. The resulting gains or losses from foreign currency translation adjustments are included in the statement of activities.

**All Out Fund at Tides**

In 2015, All Out established the All Out Fund at Tides Foundation - a leading Philanthropic Partner in the United States. The All Out Fund at Tides has been able to accept 501(c)3 contributions from institutions, funds and individuals who wish to receive a tax-exempt status for their donation. All Out recorded the revenues and expenses of each gift in accordance with Tides Foundation agreement and generally accepted accounting principles on an accrual basis.

In the years ended December 31, 2024 and 2023, approximately 15% and 27% of grants and contributions revenues were related to Tides Foundation sponsorship, respectively.

**Grants and Contributions**

All Out records contributions and grants, both cash and in-kind, when an unconditional promise to give such assets is received from a donor. Contributions and grants are recorded at the fair market value of the assets received and are classified as either net assets without donor restriction, or net assets with donor restriction, depending on whether the donor has imposed a restriction on the use of such assets.

Contributions received are recorded as increases in net assets without donor restrictions or net asset with donor restrictions depending on the existence and/or nature of any donor restrictions.

When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

**ALL OUT ACTION FUND, INC.**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued**

Contributions and grants receivable that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on these amounts are computed using a risk-free interest rate determined in the year in which the contribution originates. Amortization of the discount is included in contribution revenue. All Out received no multiyear promises to give during the years ended December 31, 2024 and 2023.

All Out periodically evaluates the balances in the various accounts receivable categories as well as the status of any significant past due accounts to determine if any balances are uncollectible. When management determines that a receivable is uncollectible, the balance is removed from the receivables balance and is charged directly against operations. Subsequent recoveries of amounts previously written off are credited directly to revenue.

All Out does not recognize conditional promises to give as a receivable. All Out recognizes a receivable only to the extent the condition has been satisfied. As of December 31, 2024 and 2023, conditional promises to give amounted to \$0 and \$500,000, respectively, are not recorded in the financial statements. There are no receivables recorded as a conditional promise to give at December 31, 2024 and 2023.

**Revenue and Revenue Recognition**

Revenue is recognized when earned. Program service fees and payments under cost reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met. Contributions received with a donor stipulation that limits their use are reported as revenue and net assets with donor restrictions.

When a donor-stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions and investment return having donor stipulations that are satisfied in the same period received or earned are reported as revenue and net assets with donor restrictions and shown as net assets released from restrictions.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued**

**In-kind Contributions**

In-kind contributions of goods and office facilities are recognized as assets or expenses and revenues in the accompanying financial statements at their estimated fair market value at the time of donation. All Out recognized In-kind services as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by All Out if not provided by donation.

**Property and Equipment**

All Out capitalizes property and equipment with a cost or fair value exceeding \$2,000 and a useful life of more than two years. Depreciation of property and equipment is provided on the straight-line method over the expected useful lives of the assets as follows:

Property and equipment	3-5 years
------------------------	-----------

**Functional Expense Allocations**

The costs of providing the various programs and other activities of All Out have been summarized on a functional basis in the accompanying statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services. Such allocations are determined by management in accordance with grant provisions and/or other equitable bases.

**Income Taxes**

All Out has adopted Accounting Standards Codification (“ASC”) 740 “Income Taxes.” ASC 740 requires that a tax position be recognized or derecognized based on a “more likely than not” threshold. This applies to positions taken or expected to be taken in a tax return. The adoption of this guidance did not have an impact on All Out’s financial statements, as management believes that there are no uncertain tax positions within its financial statements. All Out has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; determine its filing and tax obligations in jurisdictions for which it has nexus; and to review other matters that may be considered tax positions.

All Out’s Forms 990, *Return of Organization Exempt from Income Tax*, for the years ended December 31, 2021, 2022, and 2023 are subject to examination by the IRS, generally for three years after they were filed.

**Notes to Financial Statements**  
**December 31, 2024 and 2023**

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued**

**Concentrations of Credit Risk**

Financial instruments that potentially subject All Out to concentrations of credit risk consist primarily of cash and cash equivalents. All Out maintains cash and cash equivalent balances in various bank accounts that, at times, may exceed federally insured limits. As of December 31, 2024 and 2023, All Out's cash and cash equivalents balances exceeded federally insured limited by \$425,134 and \$364,274, respectively. All Out's cash accounts are placed with high credit quality financial institutions. The organization has not experienced, nor does it anticipate, any losses in such accounts.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Accounting Pronouncements Adopted in the Current Year**

**Leases**

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, *Leases*) to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

All Out has elected the short-term lease exemption for all leases with a term of 12 months or less for both existing and ongoing operating leases to not recognize the asset and liability for these leases. Lease payments for short-term leases are recognized on straight-line basis.
