Level 1 (Capacity: 300+)

The Museum’s award-winning World Alive exhibition featuring the Aquarium and three-story Rainforest make Level 1 ideal for cocktail receptions, smaller seated dinners or team building activities. Discovery Theatre access is not included with a standard rental; Level 1 may also be rented with Theatre access.

Level 2 (Capacity: 1500+)

One of the most vibrant and interactive locations in the Museum, Level 2 is packed with ever-changing exhibits and experiences. The options are endless for ways to program an unforgettable event. We suggest adding on an animal program or live science demonstration for a fun and dynamic experience.

Level 3 (Capacity: 360+)

An imaginative and innovative space, Level 3 features the inventive Think It Up exhibition and the accompanying Thinker Space, the Museum’s design lab. Perfect for creative cocktail parties, team building activities or group gatherings. Every rental comes with a standard activity in the lab, or take your evening up a notch by adding a specialized activity.

Windows on Tryon  
(Capacity: 55+)

Arguably one of the best meeting locations in the city, Windows on Tryon offers the latest in technology in a bright open space sure to inspire innovation and collaboration. Plus, your guests have direct access to the beautiful outdoor patio space nestled on Tryon St.

Discovery Theatre  
(Capacity: 200 seated)

Perfect space for presentations, speakers and discussion panels. Discovery Theatre offers exceptional audio/visual capabilities in a comfortable state-of-the-art environment. Take advantage of the large screen by showing your own pre-approved film.

The Charlotte Observer  
IMAX Dome Theatre  
(Capacity: 280 seated)

With its unique and giant dome screen, the IMAX Theatre offers an unparalleled immersive experience. Lots of options allow you to customize your event experience working with an extensive selection from the Museum’s film library.

*Note: Rental includes the space with seating for up to 280 guests; additional fees may apply depending on the film selected.

Spark
(Capacity: 75+)

A brand new facility on Discovery Place Science’s uptown campus, the Education Studio has state-of-the-art meeting spaces perfect for brainstorming, break-out sessions or group discussions. Spark is a large open space with two adjoining ‘break-out spaces’. The main area comfortably seats 30 at round tables of 5. The space is equipped with white boards and a flat screen smart board for PowerPoint presentations or films. Break-out spaces are adjacent to Spark on both sides with a capacity of 18 seated (per each space).

Flow
(Capacity: 75+)

A brand new facility on Discovery Place Science’s uptown campus, the Education Studio has state-of-the-art meeting spaces perfect for brainstorming, break-out sessions or group discussions. Flow is a mirror image of Spark located on the opposite side of the building. Flow is adjacent to the Museum’s Collections Department, providing a unique transition area for your event.

*Please note, food is not allowed in Flow.

* Discovery Place Education Studio is an adult oriented facility and children are not permitted.

Discovery Place Science offers local, fresh and healthy food and beverage options catered through Something Classic Catering, the Museum’s exclusive caterer. Events in the Museum must be serviced through Something Classic. They offer a variety of menus that can take you from a team building activity to a black tie event. Catering is invoiced separately.

Discovery Place Education Studio
Events at Discovery Place Education Studio may be served by any licensed caterer. Catering needs and contracts are handled directly between the client and caterer and considered separate from the event space rental contract. However, we are here to help; the Manager, Special Events will work with the selected caterer on building access and guidelines for set up and breakdown.
